Simplifying the healthcare journey

| All of Us Find Our Healthcare System **Complicated**

Medical records are scattered

Finding a Doctor is not easy

Health Insurance is confusing

Managing medications is a challenge

Wearables work in siloes

Our Complicated Healthcare System Causes Wider Havoc

Everyone

Struggles to take control
of their own health

Medical practices

Challenged by operational
burden and inefficiencies

Insurance companies

Face long-term adverse
effects on risks

Existing Solutions are **Siloed** and Do Not Address the **Needs Fully**

	EHR patient portals	Aggregator apps	Wellness apps	Care navigation apps
Examples of competitors	<i>Epic</i>	onerecord™	myfitnesspal 	virginia pulse 
 Appointments Any US Provider				
 Health information Medical records, insurance, bills & receipts, medications and wearables				
 Caregivers				
 Care Navigators				

Addressing all aspects of the **Health Journey**

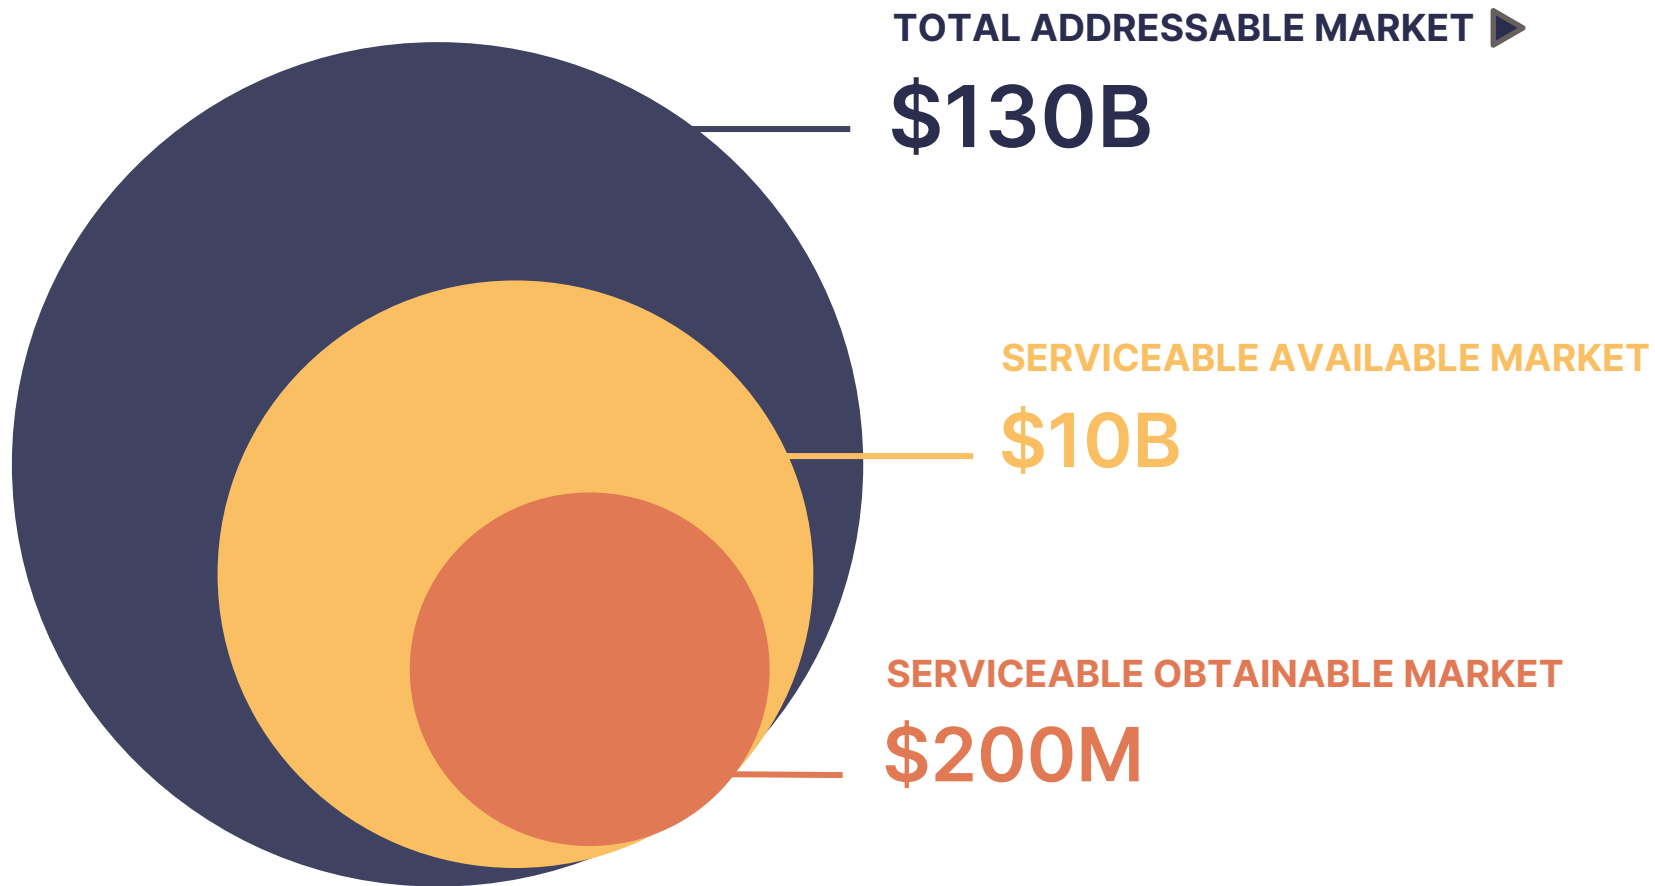

A super-app
giving users a
complete picture
of their health and
helping to improve
outcomes

Give a **Complete Picture** of Health and Help **Improve Outcomes**

Grabbing Pieces of a **Huge** but **Fragmented** Market

Estimated Market Size in 2026

Source: Grand View Research

- EHRs \$34B
- Aggregator apps \$8B
- Caregiver apps \$18B
- Employee benefit guides \$70B
